

Fan Experience Guide

We understand you can't make every game. So we want to ensure you can watch your favorite teams and athletes even when you can't be in the stands.

That's why we're livestreaming all our home games through Hudl TV. Hudl TV is Hudl's streaming service that allows you to watch our games live on any device.

How to Watch

WEBSITE

- 1 First, navigate to Team1Sports.com. Team1Sports is the premier platform for watching high school sports across the US and is powered by Hudl TV.
- 2 Select the **High School Sports** drop-down menu on the right side of your screen. Then, select your state.
- 3 Scroll down until you find the **Schools** section of the page. The schools will be listed in alphabetical order.
- 4 Once you find your school, click on it to access your school's dedicated page. You can tune in to live and past broadcasts on that page.
- 5 If a broadcast requires a pay-per-view purchase, you'll see a lock symbol and will be presented with a purchase access option. Always be sure to confirm you've selected the correct broadcast before completing the purchase.

TV AND MOBILE APPS
