Coaches:

Chris Barnette (Basketball):

Hello, my name is Chris Barnette. Basketball has always been a part of my life. I honed my basketball skills at Ravenscroft School in Raleigh, NC, earning 1st team all-state honors and securing the conference player of the year title in my senior year. I then played on an AAU team, the NC Runnin' Rebels, and being seen by college coaches, I was given multiple Division 2 offers along with an offer from a Division 1 program.

My collegiate career began at NCAA Division 2's Mars Hill University in Asheville, NC. I worked hard and earned a spot in the starting lineup halfway through my freshman season. Transitioning to NCAA Division 3's Covenant College in Lookout Mountain, GA, I surpassed 1,000 points, 400 rebounds, and 300 assists, and earned 3rd, 2nd, and 1st team all-conference honors over three seasons there. I graduated with a degree in Sports Management.

I took advantage of having the extra Covid year by playing at NCCAA Division 2's Faith Baptist Bible College in Ankeny, IA. There, I made 1st team all-conference and 1st team All-American. My basketball journey is a testament to God's hand in my life, my dedication on the court, and all the amazing coaches and people who have helped me along the way.

I have years of playing, personal training, and camp coaching experience, and am excited to be working with Breakthrough Basketball, using my passion to help young athletes reach their full potential on and off of the court.

Presently residing in the Ankeny area alongside my wife Janet, I am deeply involved in the basketball scene. As a Graduate Assistant for the men's basketball team at Faith Baptist Bible College, I am now pursuing a master's degree while also serving as a local basketball trainer, sharing my passion for the game with aspiring athletes.

Morgan Crossman (Volleyball):

Hello! My name is Morgan Crossman, and I am excited to coach the FBCS volleyball camp this year. I was born in Minnesota and grew up going to school at FBCS. I was saved at four years old when I realized my personal need for a Savior and then was baptized a year later when I was five years old.

Throughout high school I played volleyball, basketball, and soccer, and that is where my love for volleyball grew.

Upon graduation I attended Faith Baptist Bible College in Ankeny, Iowa where I majored in Elementary Education with Middle School and Coaching Endorsements. I also played for the college volleyball team all four years, specifically playing the libero position.

I made all-conference and all-tournament teams as well as received "Libero of the Year" awards three out of four years. I am looking forward to coaching this camp because I love the sport of volleyball, but I also love being able to connect with kids and high schoolers on a personal level through the sport.

Jon Crossman (Soccer):

My name is Jon Crossman, I'm an avid sports fan and am excited to hop back in the saddle

with coaching this summer!

I was born and raised in Eastern Canada and enjoyed the privilege of playing many sports like rugby, hockey, basketball, soccer, and cross-country.

I was saved at six years of age after hearing a convicting sermon from my dad, and was baptized a couple years later after getting a better understanding of the purpose of baptism. My love for sports started with Saturday nights watching my favorite hockey team play, and my hockey intrigue translated into soccer with many similar strategies and concepts of play.

I most recently played soccer for Faith Baptist Bible College, playing as a forward for all four of my academic years there. My favorite memories of playing were scoring a hat-trick on senior day and bonding with teammates through long rides to games.

I look forward to coaching this camp because I love seeing the diverse blend of skills that soccer players bring to the field, and also being able to connect with others through a love for the game and for Christ.
